Subject: HTC Radon Lab Results

Good Afternoon:

Thank you both for the phone conference. I will send separate emails for some of the data requested.

Attached are the radon canister sample results from Accu-View for P005 (5374 Roberts Ave), P006 (5380 Roberts Ave), and P007 (5382 Roberts Ave). All radon results for each were below the EPA AL of 4.0 pCi/L.
